In a forest of dreams.

Daddy's loving arms gonna gather you in.

F# B

I will take you home.

Asm E B Asm

2. Long is the road

We must travel on down.

Short are the legs

That will struggle behind.

I wish I knew for sure

Just where we're bound,

What we will be doin'

And what we're gonna find.

Wherever we go, there will be birds to cheer you

Flowers to color in the fields around.

Wherever we go, I'll be right here near you

You can't get lost when you're always found.

- R2: Ain't no fog that's thick enough to hide you

Your daddy's gonna be right here beside you

If your fears should start to get inside you.

I will take you home.

I will take you home.

Gonna carry you back home in my arms.

I will take you home.
