

# Death Smiles At All Of Us

Grave Digger

Under the spell into the gates of hell  
Sacrificed for mercy the price you have to pay  
A storm comes up empty streets lonely rats  
Cry for the children following the tunes of death

Laughing eyes will show no fear  
I'm out to kill revenge is near

Death smiles at all of us killing without mercy  
Soul dies fearless eyes death smiles at all of us  
Death smiles at all of us killing without mercy  
Angel cries no more lies

Ashes to ashes hate is under your skin  
Dust to dust the victims of your sin

Laughing eyes will show no fear  
I'm out to kill revenge is near

Death smiles at all of us killing without mercy  
Soul dies fearless eyes death smiles at all of us  
Death smiles at all of us killing without mercy  
Angel cries no more lies

Laughing eyes will show no fear  
I'm out to kill revenge is near

Death smiles at all of us killing without mercy  
Soul dies fearless eyes death smiles at all of us  
Death smiles at all of us killing without mercy  
Angel cries no more lies
