

# Killing Time

Grave Digger

By God's Grace  
I'm the ing  
James the 7th  
Obey or death I bring

I hunt the Covenanters down  
The Wigtownshire martyrs drown

Sixteen eighty five  
The Black Year

Killing time  
Believe in me or you must die  
Killing time  
Hang the victims hang them high

James Stewart reigns  
Blood on his hands  
His people tortured  
By his own commands  
Revolution sweet revenge  
Hunt the tyrant off the throne

Sixteen eighty eight  
The fall of The House of Stewart

Killing time  
Kill the tyrant he must die  
Killing time  
Hang the victims hang them high
