

No Quarter

Grave Digger

Close the doors, put out the light
You know they won't be home tonight
The snow falls hard and don't you know
The winds of Thor are blowing cold
They're wearing steel that's bright and true
They carry news that must get through
They choose the path where no-one goes
They hold no quarter,
They hold no quarter.

Oh...

Walking side by side with death
The devil mocks their every step
The snow drives back the foot that's slow
The dogs of doom are howling low
They carry news that must get through
To build a dream for me and you
They choose the path that no one goes
They hold no quarter,
They ask no quarter,
They hold no quarter,
They ask no quarter...they think about no quater...With
no quarter quarter.

Oh No...
