School's Out

Well we got no choice All the girls and boys Makin' all that noise 'cause they found new toys Oh, we can't salute you Can't find a flag If that don't suit you That's a drag School's out for summer School's out forever School's been blown to pieces No more pencils, no more books No more teacher's dirty looks Well we got no class And we got no principles And we got no innocence We can't think of a word that rhymes No more pencils, no more books No more teacher's dirty looks Out for summer, out 'til fall We aren't comin' back at all School's out for summer School's out forever School's out with fever School's out completely
