You watch their faces You'll see the traces Of the things they want to be But only we can see

They come for killing
They leave and still it seems
The cloud that's left behind
Oh, can penetrate your mind

But sail on, sing a song, carry on Cause We Rock, We Rock, We Rock

We pray to someone But when it's said and done It's really all the same With just a different name

So many voices
All giving choices
If we listen they will say
Oh, we can find the way

But we'll sail on, sing a song, carry on Cause We Rock, We Rock, We Rock, We Rock We Rock, We Rock We Rock!

We Rock

You watch their faces You'll see the traces Of the things they want to be But only we can see

They come for killing
They leave and still it seems
The cloud that's left behind
Can penetrate your mind

Sail on, sing a song, carry on Cause We Rock, We Rock, We Rock We Rock, We Rock, We Rock

Ride out - stand and shout - carry on Sail on - Sing your song - carry on

Cause We Rock, We Rock, see how We Rock
We Rock
That's rock
We Rock
We Rock
