

# Deathstorm

## Grave

In eternal battle  
The quest of after life  
In infinity  
Raving mad or firm convinced  
Sets the tone in life  
Forces gathered on both sides  
Claim the final price

At the end of days  
Deathstorm

Slay in trust of promised wealth  
"Heaven will receive"  
Soldier in the name of god  
Marching on  
Justified by church and state  
Never questioned or surveyed  
Insane... Restrained...  
By the ties of christ

At the end of days  
Deathstorm  
As the weak pray  
Deathstorm

Madness in the house of god  
Stains humanity  
Repent! Believe!

Repent! Believe!  
"Promise land within reach if u kill for me!"  
Insane!
