

My Apology

Great Big Sea

It's not the way that I intended this
I didn't realize, how much I would miss...
But with every parting of our company
I hate to think, what it has done to me

R: You didn't see, that I was sorry
This has to be, my apology

When cruelty comes with blind indifference
My humanity becomes the best defense
But if you consider the alternative
I really didn't have that much to give

R: You didn't see...

A tragic victim of my circumstance
Never give the devil a second chance
If you do you know that you can never win
Probably best to forget and begin again

Can't you see, that I am sorry
This has to be my apology,
My apology
My apology
