

## Sea Of No Cares

Great Big Sea

When you're in love there's no time and no space  
There's a permanent smile on your face  
Your friends all complain that you're going insane  
But the truth is they're just afraid

Hey somewhere  
You threw your fear in the sea of no cares  
Hey somewhere  
You threw your fear in the sea of no cares

When you decide that what counts is inside  
Your friends all say "It's a lie"  
But there's no brighter light than the look in her eyes  
When you're walking her home through the night

Hey somewhere  
You threw your fear in the sea of no cares  
Hey somewhere  
You threw your fear in the sea of no cares

Let yourself go with the tide  
There's an angel by your side  
Tonight

Back at the bar getting cynically stoned  
Your friends are drinking alone  
But it's funny, they don't even cross your mind  
When she asks you into her home

Hey somewhere  
You threw your fear in the sea of no cares  
Hey somewhere  
You threw your fear in the sea of no cares  
Hey somewhere  
You threw your fear in the sea of no cares  
Hey somewhere  
You threw your fear in the sea of no cares
