

Bonnie and Clyde

Great Northern

Did you read the story of Jesse James?
About how he lived and how he died?
You liked it huh? You want some more
Well then listen to the story of Bonnie and Clyde

Okay, so Clyde has a girlfriend
She's beautiful and her name's Bonnie
Together they're the Barrow gang
Their names - Bonnie Parker and Clyde Barrow

Bonnie and Clyde
Bonnie and Clyde

When I came to know Clyde long ago
He was a loyal, honest, upright guy
I really think it's society
Which has spoilt me forever

Bonnie and Clyde
Bonnie and Clyde

Oh what they wrote about her and I
They say we're cold-blooded killers
It ain't much fun but we got no choice
But shut them up when they start shouting

Bonnie and Clyde
Bonnie and Clyde

Every time a policeman gets killed
Every time a garage or a bank gets robbed
The police has no doubt about it
It was done by Clyde Barrow, Bonnie Parker

Bonnie and Clyde
Bonnie and Clyde

Now whenever we try and settle down
When we go live in a furnished apartment
Three days later it goes tac tac tac
Tommy guns get back on us

Bonnie and Clyde
Bonnie and Clyde

Sooner or later we'll fall together
I don't care; I'm scared for Bonnie
What does it matter if they freaking kill me
I, Bonnie, am scared for Clyde Barrow

Bonnie and Clyde
Bonnie and Clyde

Anyhow they couldn't get out of trouble
The only way out was death
But more than one followed them to Hell
When Barrow and Bonnie Parker died
