

Give It Up

Great White

Can you guess what's on my mind
And where this is gonna go
I'm not a saint I must confess
We don't need to take it slow

There are things that you should know
I am not afraid to show, my intention
So now I'm telling you
There is nothing left to do
No exception
Oh, no

So come one
Give it up, give it up, come and get some
Give it up, all night long
Give it up, give it up, hey
Give it up, babe all night long

Your strut your stuff right in my face
Girl I really like your style, oh yeah
I'll be coming for you hard
Cause you know you drive me wild
That's right

Now there's nothing more to say
Don't let the words get in the way
Of this attraction
Oh, yeah
And let me show you how
Let your lovin' take us now
To satisfaction, come on!

Give it up, give it up, come and get some!
Give it up, all night long
Give it up, give it up, hey!
Give it up, all night long

Give it up, give it up oh yeah!
Give it up, all night long
Give it up, give it up, hey!
Give it up, come on baby

Now there's nothing more to say
Don't let the words get in the way
Of this attraction, oh

And let me show you how
Let your lovin' take us now to satisfaction
Oh! Come on

Give it up, give it up
Come and get some!
Give it up, babe all night long
Give it up, give it up, hey!
Give it up, come on get some, babe

Give it up, give it up, let's do it

All night long
Give it up, give it up, hey!
Give it up! get my loving, hey!
