předehra: **C C C F G** (4x)

**G** **F**  
1. I sit in the state of a daydream  
**G** **F**  
With all of your words flying over my head  
**G** **F**  
Even more time gets wasted  
**G F**  
In a daze  
**G** **F**  
It should seem obvious to you  
**G** **F**  
Your screams and cries are never going to work  
**G** **F**  
And all of your time gets wasted  
**G F**  
In my daze

**C** **G**  
R: And I'm looking back now  
**C** **G**  
At where I have gone wrong  
**C** **G** **C** **D**  
And why I could not seem to get along  
**C** **G**  
My interests are longing  
**C** **G**  
To break through these chains  
**C** **G**  
These chains that control  
**C** **D** **C C C F G** (4x)  
My future's aim

2. I sit in the state of a daydream  
With all of your words flying over my head  
Even more time gets wasted  
In a daze  
Maybe I'm just too damn lazy  
Or maybe I was just brainwashed to think that way  
And all of your time gets wasted  
In my daze

R: And I'm looking back now... (2x)
