

Brain Stew

Green Day

As F# F E Dmi As F# F E Dmi

As F# F E Dmi

I'm having trouble trying to sleep

As F# F E Dmi

I'm counting sheep but running out

As F#

As time ticks by

F E Dmi

And still I try

As F# F

No rest for crosstops in my mind

E Dmi

On my own... here we go

As F# F E Dmi As F# F E Dmi

My eyes feel like they're gonna bleed

Dried up and bulging out my skull

My mouth is dry

My face is numb

Fucked up and spun out in my room

On my own... here we go

My mind is set on overdrive

The clock is laughing in my face

A crooked spine

My sense dulled

Passed the point of delerium

On my own... here we go

My eyes feel like they're gonna bleed

Dried up and bulging out my skull

My mouth is dry

My face is numb

Fucked up and spun out in my room

On my own... here we go
