

No Pride

Green Day

předehra: **A B C D E D C**

G D
1. I'm just a mutt
A D
And nowhere is my home
G D
Where dignity's a land mine
A C
In the school of lost hope
G D
I've panhandled for a life because
A D
I'm not afraid to beg
G D
Hand me down your lost and founds
A C
Of second hand regret

A B
R: You better swallow your pride
C D A
Or you're gonna choke on it
A B
You better digest your values
C D G
Because they turn to shit
A B
Honor's gonna knock you down
C D
Before your chance to stand up and fight
E D
I know I'm not the one
C
I got no pride

2. Sects of disconnection
And traditions of lost faith
No culture's worth a stream of piss
Or a bullet in my face
To hell with unity
Seperation's gonna kill us all
Torn to shreds and disjointed
Before the final fall

R: You better swallow your pride... (2x)

Close your eyes and die...
I got no pride...
I got no pride...
