Green Day

As

1. I wonder down these streets all by myself

As

C#

Think of my future now I just don't know

C#

As

I don't seem to care

As

I stop to notice that I'm by your home

As

C#

I wonder if you're sitting all alone

C#

As

Or is your boyfriend there

C# As Eb

R: Because I feel so right

C# As Eb

Let my imagination go

C# As Eb

Until you're in my sight

C# As Eb

And through my veins temptation flows

Whoa hoa...

Out here...

2. So I sit down here on the hard concrete

Think of my future now I just don't know

I don't seem to care

So I sit across the street from your home

I wonder if you're sitting all alone

Or is your boyfriend there

R: Because I feel so right... (2x)
