

Walking Contradiction

Green Day

- E D A E**
1. Do as I say not as I do because
E D A
The shit's so deep you can't run away
E D A E
I beg to differ on the contrary
E D A
I agree with every word that you say
E D A E
Talk is cheap and lies are expensive
E D A
My wallet's fat and so is my head
E D A E
Hit and run and then I'll hit you again
E D A
I'm a smartass but I'm playing dumb
2. Standards set and broken all the time
Control the chaos behind a gun
Call it as I see it even if
I was born deaf, blind, and dumb
Losers winning big on the lottery
Rehab rejects still sniffin' glue
Constant refutation with myself
I'm victim of a catch 22

R: I have no belief
E D B E D A E
But I believe I'm a walking contradiction

And I ain't got no right
