When I come around

   F# C#                Esmi H
1. I heard you crying loud
   F#        C#         Esmi H
   all the way across town
   you've been searching for that someone
   and it's me out on the prowl
   as you sit around feeling sorry for yourself

   Well don't get lonely now
   and dry your whining eyes
   I'm just roaming for the moment
   sleazing my backyard so don't get so uptight
   you've been thinking about ditching me

   Asmi               H
R: No time to search the world around
   Asmi       H                 C#
   'cause you know where I'll be found
                   F# C# Esmi H
   when I come around

2. I heard it all before
   so don't knock down my door
   I'm a loser and a user
   so I don't need no accuser
   to try and slag me down because I know you're right

   So go do what you like
   make you sure you do it wise
   you may find out that your self-doubt
   means nothing was ever there
   you can't go forcing something
   if it's just not right

R: No time to search...
