Wild One

She

She

She

She

She's my wild one My heart is in panic Her eyes look so manic now Little wild one My heart is a chaser She's strung out on razors now She gave up on Jesus for living on Venus All dressed up with nowhere to go I'm drinking the Kool-Aid, I jumped on the grenade Now that my mind's gonna blow, hello She's my wild one My heart is in danger From shadows and strangers now Little wild one She's covered in angels And demons and halos now She gave up on jesus, for living on Venus All dressed up with nowhere to go I'm drinking the Kool-Aid, I jumped on a grenade Now that my mind's gonna blow, hello She gave up on jesus, for living on Venus All fucked up with nowhere to go I'm drinking the Kool-Aid, I jumped on a grenade Now that my mind's gonna blow, hello Little wild one My heart is in danger, she's strung out on razors now My heart is in danger, she's strung out on razors now **Green Day**
