

Little by Little

Gregg Allman

Baby out all night till the break of day
Step me up and everything I say
Little by little, only you know that I can see
Bit by bit, your love is drifting away from me

What you doing, baby, you know it ain't right
I wonder what you doing that it takes all night
Little by little, only you know that I can see
Bit by bit, your love is slippin' away from me

I get so disgusted when I try to kiss you
I just don't feel like I used to do
Little by little, only you know that I can see
Bit by bit, your love is slippin' away from me

Tried to tail you last night in my car
I'm so scared I might see what I'm looking for
Little by little, only you know that I can see
Bit by bit, your love is slippin' away from me
