

Sweet Feelin'

Gregg Allman

Aww, you pick me up when nobody else would
You did things for me that nobody else could
You opened up your heart but I would not be true
But I still got that old time feeling for you
Sweet baby, Lord, sweet baby

Aww, we had a love, yes, we did beyond compare
When I needed you, oh Lord
You was always, always there
Now I had my chance but I could not be true
But I still got that old time feeling for you
Sweet baby, oh sweet baby, oh

But I still got that old time feeling for you
Sweet baby, aww, sweet baby

Someday baby when all your hurt is gone
Maybe you forgive me, oh Lord
For doing you so low down dirty wrong
I'm so sorry for all the pain I put you through
But I still got that old time feeling for you
Sweet baby, Lord, sweet baby, aww

Got that old time feeling, yeah yeah, yeah, yeah
Old, old time feeling baby, oh
I got that sweet, sweet feelin', aww, baby
