

The Dark End of the Street

Gregg Allman

At the dark end of the street
Well, that's where we'll always meet
Hiding in shadows where we don't belong
Livin' in darkness to hide our own

You and me
At the dark end of the street
You and me

I know that time's gonna take its toll
We have to pay for the love we stole
And it's a sin and we know that it's wrong
But, oh, our love keeps comin' on strong

Steal away
To the dark end of the street
You and me

They're gonna find us
They're gonna find us
They're gonna find us love, someday

You and me
At the dark end of the street
You and me

And when the daylight hour rolls 'round
And by chance we'll go down town
If we should meet, just walk on by
But, oh, darlin', please don't cry

Tonight, we'll meet
At the dark end of the street
You and me

Tonight, we'll meet
At the dark end of the street
You and me
