A face in the crowd

Before all of this ever went down In another place, another town You were just a face in the crowd You were just a face in the crowd Out in the street, walking around A face in the crowd

Out of a dream, out of the sky Into my heart, into my life And you were just a face in the crowd You were just a face in the crowd Out in the street, thinking out loud A face in the crowd

Out of a dream, out of the sky Into my heart, into my life And you were just a face in the crowd You were just a face in the crowd Out in the street, walking around A face in the crowd

A face in the crowd A face in the crowd A face in the crowd Gregorian
