Come on, now. I hear you're feeing down. Well I can easy your pain, Get you on your feet again.

Relax. I need some information first. Just the basic facts: Can you show me where it hurst?

There is no pain, you are receding. A distant ship's smoke on the horizon. You are only coming through in waves. Your lips move but Ican't hear what you're sayin'. When I was a child I had a fever. My hands felt hust like two ballons. Now I got that feeling once again. I can't explain, you would not understand. This is not how I am. I have become confortable numb.

Ok. Just a little pinprick (ping). There'll be no more - aaaahhh! But you may feel a little sick.

Can you stand up? I do believe it'sworking. Good. That'll keep you going for the show. Come on it's time to go.

There is no pain, you are receding. A distant ship's smoke on horizon. You are anly coming throught in waves. Your lips move but I can't hear what you're sayin'. When I was a child I caught a fleeting glimpse, Out of the corner of my eye. I turned to look but it was gone. I cannot put my finger on it now. The child is grown, the dreams is gone. I have become confortably numb.
