Oh let the sun beat down upon my face, stars to fill my dream I am a traveler of both time and space, to be where I have been To sit with elders of the gentle race, this world has seldom se en

They talk of days for which they sit and wait and all will be revealed

Talk and song from tongues of lilting grace, whose sounds cares s my ear

But not a word I heard could I relate, the story was quite clea r Oh , oh .

Oh, I been flying... mama, there ain't no denyin' I've been flying, ain't no denyin', no denyin'

All I see turns to brown, as the sun burns the ground And my eyes fill with sand, as I scan this wasted land Trying to find, trying to find where I've been.

Oh, pilot of the storm who leaves no trace, like thoughts insid e a dream

Heed the path that led me to that place, yellow desert stream My Shangri-La beneath the summer moon, I will return again Sure as the dust that floats high in June, when movin' through Kashmir.

Oh, father of the four winds, fill my sails, across the sea of years

With no provision but an open face, along the straits of fear , ohh.

When I'm on, when I'm on my way, yeah When I see, when I see the way, you stay-yeah

Ooh, yeah-yeah, ooh, yeah-yeah, when I'm down Ooh, yeah-yeah, ooh, yeah-yeah, well I'm down, so down Ooh, my baby, oooh, my baby, let me take you there

Let me take you there. Let me take you there.
