Looking from a window above, it is like a story of love Can you hear me? Came back only yesterday, I'm moving farther away Want you near me All I needed was the love you gave All I needed for another day And all I ever knew Only you Sometimes when I think of her name when it's only a game And I need you Listen to the words that you say it's getting harder to stay When I see you All I needed was the love you gave All I needed for another day And all I ever knew Only you This is going to take a long time and I wonder what's mine Can't take no more Wonder if you'll understand it's just the touch of your hand Behind a closed door All I needed was the love you gave All I needed for another day And all I ever knew Only you
