

Superlegend

Gregory and the Hawk

Too young to be superlegend
And no one knows that you used to go
Sing yourself to bed
I'm a better better friend

To win your love
It's all I'm not
Two tiers above
The best I've got

All I see of you is smooth (smooth), smooth (smooth)
And hot (hot), hot (hot)
Get lost in the rottenness of it all

Now, come on
I'm a crutch
In a pinch
And you're too much
Get ahold of yourself
Get over yourself, man

To win your love
It's all I'm not
Two tiers above
The best I've got
The best I've got
