Superlegend

Gregory and the Hawk

Too young to be superlegend And no one knows that you used to go Sing yourself to bed I'm a better better friend

To win your love It's all I'm not Two tiers above The best I've got

All I see of you is smooth (smooth), smooth (smooth) And hot (hot), hot (hot) Get lost in the rotteness of it all

Now, come on I'm a crutch In a pinch And you're too much Get ahold of yourself Get over yourself, man

To win your love It's all I'm not Two tiers above The best I've got The best I've got
