

Black Liberation Struggle

Gregory Isaacs

Whoa-oh, yeah

A new dawn is awake up
Yet nothing is changed, ooh
Our freedom was once taken
Don't wanna live no more in chains
That's why

I call a black liberation struggle
I nah give up the fight, no no
'Cause it's a black liberation struggle
Man and man unite

Every time I open my mouth
The wicked, yeh
Just trying to get me out

But it's a black liberation struggle
Nah give up the fight, no, no, ooh!
A me say black liberation struggle
For sense all unite

There must be some change, yeh
'Cause Jah God told men into His reign
Don't give up!
Please live up!
Don't give up!
Please live up!

I said a new dawn is awake up
Yet nothing is changed
Our freedom was once taken
I don't wanna live no more in chains
That's why

I call a black liberation struggle
And I won't give up the fight, no, no
