

# Dreadlocks Love Affair

Gregory Isaacs

Got to speak my mind

What will mommy say?  
Tell me, what will your daddy do?  
When they get to find out  
That we're in love and its true

I know your daddy will be surprised  
When he knows you're in love with a dreadlocks  
Because your mommy and your daddy  
Always fight against my natty dreadlocks

Mommy will be lonely, I know  
Daddy will be blue  
But I know that they can never, no  
Change I love from you

Because your mommy and your daddy

Always go around like they're a big shot  
That's why your mommy and your daddy  
Always fight against my natty dreadlocks

Mommy will be lonely, I know  
Your daddy will be blue  
But I know they'll never, never, no  
Change I love from you

Because your mommy and your daddy  
Always go around like they're a big shot  
That's why your mommy and your daddy  
Always fight against my natty dreadlocks

Got to speak... my mind
