

## Dreams Come True

Gregory Isaacs

Send me the pillow that you dream on,  
So that I can dream only too.  
And say a special prayer for me,  
My darling, darling dear.  
Pray that this dream will come true.

Although sometimes we may be far apart,  
But, for you I got a place in my heart.  
So say a special prayer for me,  
My darling, darling dear.  
Pray that this dream will come true.

Although sometimes we may be far apart,  
But, for you I got a place in my heart.  
So say a special prayer for me,  
My darling, darling dear.  
Pray that this dream will come true.

So send me the pillow that you dream on,  
So that I can dream only too.  
And say a special prayer for me,  
My darling, darling dear.  
Pray that this dream will come true,  
Pray that this dream will come true.

Although I know we may seem far apart,  
But, for you I got a place in my heart.  
So say a special prayer for me,  
My darling, darling dear wolo.  
Pray that this dream will come true,  
Pray that this dream will come true wono,  
Pray that this dream will come true wolo,  
Pray that this dream will come true wono,  
Pray that this dream will come true,  
Pray that this dream will come true...
