

Feeling Irie

Gregory Isaacs

You're sure looking good
Baby, I've been picking up your signs
And I know what's on your mind
You're in a mellow mood
You're feeling irie
You're in a mellow mood
You're feeling irie
Maybe you are thinking
First you'd like to sip a little something
I'll leave it up to you
Just get me irie
I'll leave it up to you
Just get me irie
There's a promise in your eyes
Hmm, you're gonna get a nice surprise
I'm gonna take my time
I know you wanna blow my mind
I can tell by how you move
That you're really getting in the groove
Please don't change the vibes
I feel so irie
Please don't change the vibes
I feel so irie
Baby, keep on doing
Doing what you doing
Please don't change the vibes
I feel so irie
Please don't change the vibes
I feel so irie
Really feel so irie
Hmm, make me feel so good
Oh, yeah
Lord
Oh! oh!
Hmm
There's a promise in your eyes
I know I'm gonna get a nice surprise
I'm gonna take my time
I know you wanna blow my mind
I can tell by how you move
That you're really getting in the groove
Please don't change the vibes
I feel so irie
Baby, please don't change the vibes
I feel so irie
Baby, keep on doing
Doing what you doing
Please don't change the vibes
I feel so irie
Please don't change the vibes
I feel so irie
Woman, I've been picking up those signs
And I know what's on your mind
You're in a mellow mood
You're feeling irie (Lord)
You're in a mellow mood
You're feeling irie

And I'm a mellow mood
Just keep me irie
I'm in a mellow mood
Just keep me irie
We're in a mellow mood
