

Freedom

Gregory Isaacs

Happiness, reveal yourself to me
There's no chains around me, still I'm not free
Happiness, please reveal yourself to me, yeah
Only Lord knows, how I'm thirsty to be free

I'm a man who is trying hard on my own, yeah
Yet they try to treat me, as if I'm not fully grown
Never let me stay any longer, among the unjust
'Cause in Thee, blessed Father, do I put my trust

Happiness, please reveal yourself to me, Lord
There is no chains around me, still I'm not free
Oh, happiness, please reveal yourself to me, yeah
'Cause only Lord knows, how I'm thirsty to be free

Reveal yourself to me...

I'm a man who's trying hard on my own
Yet some people treat me, as if I'm not fully grown
So never let me stay any longer, among the unjust, no
'Cause in Thee, oh blessed Father, do I put my trust

I said happiness, please reveal yourself to me, yeah
There is no chains around me, still I'm not free - oh yeah
Happiness, please reveal yourself to me
Only Lord knows, how I'm thirsty to be free

Reveal yourself to me
How I'm thirsty to be free
Happiness, happiness, happiness
No more distress
