

# Gi Me

Gregory Isaacs

I want it  
You know that I want it

Please close the door, turn down the lights  
Move on over, squeeze me tight  
Because as far as I can see, ooh wee  
The love you give is first degree

So come a gi' me what you gi' me first night  
'Cause the things that I received was alright  
I said to gi' me what you gi' me first night  
Close the door and gently turn down the lights

You should know what to gi' me for sure  
Lord 'ave mercy  
You gi' me till I really want more  
So come a gi' me what you gi' me first night  
Said to gi' me till it's broad day light

Come a, come a, come a, come a  
Gi' me, gi' me, gi' me, gi' me, gi' me  
Because I want it

You know that I want it

Please close the door, turn down the lights  
Lord 'ave mercy  
Move on over, squeeze me tight  
Because as far as I can see, ooh wee  
The love you give is first degree

So come a gi' me what you gi' me first night  
'Cause the things that I received was alright  
I said come gi' me what you gi' me first night  
Close the door and gently turn down the lights

Come a, come a, come a, come a  
Gi' me, gi' me, gi' me, gi' me, gi' me  
Because I want it  
You know that I want it

Come a, come a, come a, come a  
Gi' me, gi' me, gi' me, gi' me, gi' me  
Because I want it  
You know that I want it

I want it...
