

# I Am Sorry

Gregory Isaacs

If I am wrong then I am sorry  
I didn't mean to make her blue  
If I am wrong then I am sorry  
Deep in my heart I know its true  
I love her and I leave her  
Swear to god I won't decieve her, no  
It's only becoz I hate to see my woman cry  
So wipe your tears and say goodbye  
I will return real soon and I will heal your aching wound  
Don't care what may  
Even tho we're far apart theres a place for you in my heart  
And i'll return one day  
I love her and I leave her  
I swear to god I won't decieve her,  
It's only becoz I hate to see my woman cry  
So wipe your tears and say goodbye  
So I wipe your tears and say goodbye  
If I am wrong then I am sorry I didn't mean to make her blue  
If I am wrong then I am sorry, so sorry  
Deep in my heart I know its true. Yeah!  
I'll return one day, i'll never go astray (humhumhumhum)  
I really need you woman  
I see you soon  
I'll return one day
