If You're In Love

Gregory Isaacs

If you're in love, in love with someone new
Please, let me know, now
So I can find a lover too
Instead of, wasting my time all over you
Let me know if we're through

Please, let me know, now
If I must stay or I must go
Just speak your mind and say yes or no
Let me know if we're really through
So I can find someone new

Instead of worrying over you
I'd like to know just what to do
So let me know if I must stay or I must go
Just speak your mind and say yes or no
Let me know if you're really through
So I can find someone new

If you're in love, in love with someone new
Please, let me know, now
So I can find a lover too
Instead of, wasting my time all over you
Let me know if we're really through

Believe me
