

Let's Dance

Gregory Isaacs

Let's dance, put on your red shoes and dance the blues
Let's dance, to the song they're playin' on the radio
Let's sway, while color lights up your face
Let's sway, sway through the crowd to an empty space

If you say run, I'll run with you
And if you say hide, we'll hide
Because my love for you
Would break my heart in two
If you should fall into my arms
And tremble like a flower

Let's dance Ld's dance, for fear your grace should fall
Let's dance, for fear tonight is all
Let's sway, you could look into my eyes
Let's sway, under the moonlight, this serious moonlight

And if you say run, I'll run with you
And if you say hide, we'll hide
Because my love for you
Would break my heart in two
If you should fall into my arms
And tremble like a flower

Let's dance, put on your red shoes and dance the blues
Let's sway, under the moonlight, this serious moonlight
Let's dance Ld's dance
Let's dance, dance, dance
