

# Lonely Teardrops

Gregory Isaacs

Biff boff  
Goes my lonely teardrops  
My clothes are wet

(Tears come rolling down my face)  
Rolling all over the place  
(Tears come rolling down my face)

Since you left me and gone  
(You..) I find it so hard to carry on  
(You..) You were home with me last Sunday  
Now you left and brought me Monday  
I'mma singing

(Tears come rolling down my face)  
Over the place  
(Tears come rolling down my face)  
Ah...

Since you left me and gone - gone, gone  
(You..) I find it so hard to carry on  
(You..) You were here with me since Sunday  
Now you turned away last Monday  
And I'mma

(Tears come rolling down my face)  
Rolling all over the place  
(Tears come rolling down my face)  
Drowning in my tears, yeah

Gosh  
Ooh  
My clothes are wet

Since you left me and gone  
(You..) I find it so hard to carry on  
(You..) You were home with me last Sunday  
Now you left me with blue Monday  
That's why

(Tears come rolling down my face)  
Rolling all over the place  
(Tears come rolling down my face)  
Down...
