

# No Speech No Language

Gregory Isaacs

Not one single word

No speech, nor language  
Where the voice is not heard  
(Not heard, not heard)  
I said there is no speech, nor language  
Where the voice is not heard  
(Not heard, not heard)

They can talk, but they can throw no blows  
The higher the monkey climb  
It is the more he will expose, I said

No speech, nor language  
Where the voice is not heard  
(Not heard, not heard)  
Not one single word  
I said, no - no, no, no, speech, nor no language  
Where the voice is not heard  
(Not heard, not heard)

They can talk, but they can throw no blows  
The higher the monkey climb  
It is the more he will expose, I said

No speech, nor no language  
Where the voice is not heard  
(Not heard, not heard)  
Not one single word  
I said, no speech, nor no language  
Where the voice is not heard  
(Not heard, not heard)

Not one single word

Here us when we call  
(No speech, nor language)  
Whether you're big or small

(No) no, no, no (speech nor language)  
Where the voice is not heard  
(Not heard, not heard)  
Tell them...
