

Oh What a Feeling

Gregory Isaacs

Oh, what a feeling
Liquor a sip, herb a smoke
And the dancehall tight
No call no buss
No want no fuss nor fight, yeah ah

And me say, oh, what a feeling
Oh, what a feeling
Wonderful feeling, a yard, yeah
And me say, oh, what a feeling
What a lovely little feeling
Wonderful feeling, a yard

Now I can recall from my early days of childhood
Some wish us bad, while others wish us good, yeah ah

And me say, oh, what a feeling
Wonderful feeling, a yard, yeah
And me say, oh, what a feeling
Oh, what a feeling
Wonderful feeling, a yard
Oh, what a feeling a yard

Oh, what a feeling!
What a lovely little feeling
Everyone is feeling
Lovely little feeling a yard
Oh, what a feeling a yard

Now I can recall from my early days of childhood
Some wish us bad, while others wish us good, yeah ah

And me say, oh, what a feeling
Wonderful feeling, a yard, yeah
And me say, oh, what a feeling
What a lovely little feeling
Wonderful feeling, a yard

Liquor a sip, herb a smoke
And the dancehall tight
No call no buss
No want no fuss nor fight, yeah ah

And me say, oh, what a feeling
Oh, what a feeling
Wonderful feeling, a yard, yeah
And me say, oh, what a feeling
What a lovely little feeling
Wonderful feeling, a yard
Oh, what a feeling a yard
Oh, what a feeling a yard

Oh, what a feeling
What a lovely little feeling
Feeling and feeling
Lovely little feeling a yard
Oh, what a feeling a yard

Feeling and feeling a yard
Oh, what a feeling a yard
