

Once Ago

Gregory Isaacs

Lord, oh yeah
Believe me yeah, oh yeah

Now once when I want you to go
My poor heart tell me no
But I can't stand it no more, my cup is overflown
Although it's you I once adored, yeah
I need your love no more
So you can live your life, while I'll go on live mine
I wish you good luck and goodbye
I see you around some time
It's time that you should be wise, yeah
And take off your love disguise

Lord, oh yeah
Yeah, ooh yeah

Now once when I want you to go

My poor heart tell me no
But I can't stand it no more, my cup is overflown
Although it's you I once adored, yeah
I need your love no more
So you can live your life, while I'll go on live mine
I wish you good luck and goodbye
I see you around some time
It's time that you should be wise, yeah
And take off your love disguise, yeah

Lord, oh yeah
Believe me yeah
Lord, oh yeah
Yeah
Lord
Hmm-mmm, yeah
Believe me, oh yeah, yeah
