

# One More Time

Gregory Isaacs

Whoa oh, whoa oh, yeah  
Whoa oh

Slow down sister and try me one more time  
I'm begging you, slow down sister, 'cause  
You're still on my mind  
Try me one more time  
I don't wanna be behind  
Stand there looking at all  
I just wanna be on time, with you

So cool down sister and  
Give me one more chance  
Cool down sister, 'cause  
You've got me in a trance  
Give me one more chance, 'cause  
I don't wanna be behind  
Stand there looking at all  
I just wanna see you one time, yeah

Whoa oh, whoa oh, yeah  
Whoa oh

Slow down sister and try me one more time  
Won't you please, slow down sister, 'cause  
You're still on my mind  
Try me one more time  
I don't wanna wait too long, no, no, no, no, no, no  
'Cause my love for you is right, yeah

Slow down sister and try me one more time  
Won't you please, slow down sister, 'cause  
You're still on my mind  
Try me one more time  
I don't wanna be behind  
Stand there looking at all  
I just wanna be on time, ooh yeah

Whoa oh, whoa oh, yeah  
Whoa ooh  
Ah, ah, yeah  
Slow down
