

Poor Millionaire

Gregory Isaacs

Woah oh

I

Woah oh

Ain't got a penny in my pocket

But I feel like a millionaire

I feel so foreigner

Now that my woman is near

Now that my woman is near

Maybe won't find meal easy, yeah

But still I'll take good care

'Cause Jah never ever give a man more than he can bear

Ain't got no shoe upon my feet, but still I'm dancing

There ain't much food to eat, but music's playing

Maybe we won't find things easy, yeah

But I will try to take good care

'Cause Jah never ever give a man more than he can bear, no way

Ain't got a penny in my pocket

But I feel like a millionaire

I feel so foreigner

Now that my woman is near, ay

Now that my woman is near

We'll get along...

We'll get along...somehow
