

Spend the Night

Gregory Isaacs

Won't you, won't you, won't you, won't you walk in
I mean it

Last night while walking down the street
Finally this girl I get to meet
She was the kind, that I had in mind
So inticing, I'd like to spend some time
So I told her

Won't you spend the night with me (won't you spend the night with me)
Cause I need your company (won't you spend the night)
Won't you spend the night with me girl (won't you spend the night with me)
We were meant to be (won't you spend the night)

Let's both find some place to go
Somewhere no one know is
Cause you are looking ohh so sweet
Please, let's go beneath the sheets (let's go beneath the sheets)

Won't you spend the night with me (won't you spend the night with me)
Cause I need your company (won't you spend the night)
Won't you spend the night with me girl (won't you spend the night with me)
I just can't set you free (won't you spend the night)
Oh no, oh yes it's true

Last night while walking down the street
Finally this girl I get to meet
She was the kind that I had in mind
So inticing I'd like to spend some time
So I told her

Won't you spend the night with me (won't you spend the night with me)
Cause I need your company (won't you spend the night)
Won't you, won't you, won't you spend the night with me girl (won't you spend the night with me)
I just can't set you free (won't you spend the night)

Oh no, I will follow, anywhere you go
You were looking oh so sweet, yeah,
Let's go beneath the sheets (let's go beneath the sheets)
Cause without you in my life, yeah,
I just can't, I mean what I say

Won't you, won't you, won't you spend the night with me (won't
you spend the night with me)
I need your company (won't you spend the night)
I don't want to set you free
