

Sunday Morning

Gregory Isaacs

Just because I fell in love on a Sunday morning
Just because I fell in love on a Sunday morning ('Cause I fell
in love)
Just because I fell in love on a Sunday morning (Sweet, sweet l
ove)
Just because I fell in love on a Sunday morning

Monday morning, I wake up crying
Tuesday morning, there is no use to denying
Wednesday morning, I have myself to blame
Thursday morn, my heart is in pain
Here comes Friday, fighting all my heartache
Saturday morn, correcting my mistakes
