

The Fugitive

Gregory Isaacs

According to the fills
The Philistines are at my hills
I've got to make a run
They're behind me with a gun
But there is one thing I've got to say
I'm not doing any sentence
For what I don't know now, know now, know now
I'm not doing any sentence
That's why I've got to go

According to the fills
My feet are my only wheels
Still, I've got to live
Although I'm the fugitive
Yes, there is one thing I've got to say
I'm not doing any sentence
For what I don't know now, know now, know now
I'm not doing any sentence
That's why I've got to go, yeah

Ooh yeah

According to the fills, God
My feet are my only wheels
Still, I've got to live
Although I'm the fugitive
Yes, there is one thing I've got to say
I'm not doing any sentence
For what I don't know now, know now, know now
I'm not doing any sentence
That's why I've got to go

Feel I'm bound to live
I'm the fugitive
Bound to, bound to live
Although I'm..
