

The Winner

Gregory Isaacs

I'm the winner
Get in so you sinners

Open up and let I come in
The race is swift, but I know I'll win
Take a good look and you will see, yeah-eh
That there is nothing wrong, with me
If it wasn't for the lion's den, oh no
I wouldn't trod this place again

But through the powers and the glory
Jah Jah rule and reign on earth, you'll see
Your friends will all laugh you to scorn, don't open up
You'll regret the day you were born
So take a good, good look and you will see, yeah-eh

That there is nothing wrong with me

Let all come in
I commit no sin, yeah

If it wasn't for the lion's den, oh no
Wouldn't trod this place again
But through the powers and the glory
Jah Jah rule on earth, I know someday you'll see

So open up and let I come in, oh yeah
The race is swift, but I know, I'll win
Take a good look and you will see, yeah-eh
That there is nothing wrong with me

Let I come in!

I commit no sin
It's a race I'm gonna win...
