Warriors - all you little warriors

Warriors - all you little warriors

Ah wey you a go tell Jah now?

Ah wey you a go tell Jah now?

You fightin' an' killin' your brother each day

(Ah wey you a go tell Jah now?)

An' Jah know you just won't get away

(Ah wey you a go tell Jah now?)

Love is your cry and war is your meaning

(Ah wey you a go tell Jah now?)

An' by your works, you'll get your pay

Ah wey you a go tell Jah now?

Ah wey you a go tell Jah now?

Ah wey you a go tell Jah now?!

Ah wey you a go tell Jah now?

Warriors

Warriors

Every day you just keep on doin' wrongs

(Ah wey you a go tell Jah now?)

An' say that you are mighty and strong

(Ah wey you a go tell Jah now?)

Love is your work and you deal with violence

(Ah wey you a go tell Jah now?)

And you should surely go in silence

Ah wey you a go tell Jah now?

Ah wey you a go tell Jah now?

Ah wey you a go tell Jah now?!

Ah wey you a go tell Jah now?
