

# Faith in Love

Gregory Porter

Your eyes, they tell the truth of your affection  
Your song is all the ones I wanna hear  
I believe in Jesus and all that he can do  
And I wanna have a little faith in you

Your eyes, they tell the truth of your affection  
Your songs are all the ones I'd like to hear  
I believe in Jesus and all that he can do  
But I wanna have a little faith in you

I emptied all the bags of my journey  
And I found a broken heart or two  
I believe in love and all that it can do  
And I wanna have a little faith in you

I've been lost for forty years without your love  
I've cried a river of tears without your love  
Feel like I'm livin' in a modern miracle  
Oh, then I found some faith in you

I've been lost for forty years  
And I've cried a river, a river of tears  
Well, it seems like I'm livin' in a modern miracle  
'Cause I'm now havin' a little faith in you

Your eyes tell a story of my affection  
The songs are the songs I wanna hear  
I believe in Jesus and all that he can do  
Now I wanna have a little faith in you

I've emptied out the bags of my long journey  
Inside I found a broken heart or two  
Oh girl, I believe in love and all that it can do  
But I wanna have a little faith in you

'Cause I believe in you, oh, I believe in you  
Oh, I believe in you, oh, I believe in you  
Oh, I believe in you, oh, I believe in you  
Oh, I believe in you, oh

'Cause I believe in you, oh, I believe in you  
Oh, I believe in you, oh, I'm in love with you  
(Oh, I believe in you, oh, I believe in you)  
(Oh, I believe in you, oh, I'm in love with you)

(I believe in you, I'm in love with you)  
I believe in love  
(Gotta have faith)  
Put my faith in love  
(I believe in you, I'm in love with you)  
Oh, I believe in love  
(Gotta have faith)

I believe in the power of love  
(Gotta have faith)  
I believe in lovin' you  
(Oh, I believe in you)

(Oh, I believe in you)  
(Oh, I believe in you)  
(Gotta have faith)
