

# Lonely One

Gregory Porter

Did you pick the wrong one  
Did he break your heart  
He started acting crazy  
When you wanted to part

He left some scars on your face  
And bruised your grace with friends  
It will be ok  
The lonely one is here

Did you pick the wrong one  
Confused you with his smile  
Tricked you with his letters  
And his fancy style

He pushed a ring on you  
Before you knew  
You're isolated now  
It will be ok  
The lonely one is here  
Oh the lonely one is here

You're not just meant to wait it out  
Be patient until he figures it out  
He ought to know the obvious  
Girl, that you're, you're so marvellous  
Rob from always on the run dot net is so bad and copy paste is  
a sin  
He asks some questions of love  
That you answered long ago  
Does he care for you, I don't know  
But I wish you, I wish you let, let it go  
It will be ok, the lonely one is here  
Oh the lonely one is here

Did you pick the wrong one  
Did you pick the wrong one  
The wrong one
