Let's show these assholes how we fuck!

In a land that speaks only with its eyes.
No language, no dildos.
No fucking laws!"

Where the whores can't sell their pussy.
Or use their twats to gold dig.
A land where us warriors run free
With our big dicks out,
And our fucking hair wild.

Suck my dead pig

...

Eat pork rinds
Eat dead pigs
Eat pork rinds
Eat dead pigs
Eat pork rinds
Eat dead pigs
Eat pork rinds
Eat dead pigs

Fuck an umbilical cord out of your phony asshole,
And I'll hang a pig with it,
You'll give birth to a dead pig
And we'll cut him into pork rinds.
All in pork rinds of god.
